

NATALYA ANTONOVA

Published 04.10.2009

“Love”

What motivates you to play the Piano?

“The only motivation is the LOVE to make music”

What are the most important qualities in a good pianist?“

The most important quality for a pianist is TALENT and ability to work hard after that.”

A critic for the Albany Times-Union wrote, “Antonova dazzles with her Russian repertoire. Her performance had plenty of virtuosity, but it also had drama, grandeur and sweep.”
